## PROFILE

**I am a freelance Editor with 17 years experience of working in broadcast television.**

My creativity and technical knowledge have enabled me to pursue an exciting career. Having been employed as a staff editor for 6 years I decided to become a freelance offline editor and now enjoy working on a wide range of programmes.

My editor credits include Our Guy In China (CH4), The Gadget Show (Channel 5), Fifth Gear (Discovery), My Kitchen Rules UK (CH4), The Street That Cut Everything (BBC1) and the Royal Shakespeare Company for cinema broadcast features on King Lear, Cymbeline & Henry V.
