Points Of View

EXPERTISE

Avid Media Composer

Avid Symphony

Adobe Premiere Pro

I am an Offline Editor with over 20 years experience in broadcast television.

My creativity and technical knowledge have enabled me to pursue an exciting freelance career after 10 years employment with a prominent UK production company. My broadcast work is diverse, including observational documentaries, children's tv, and factual entertainment. Besides broadcast television, I have edited short films for cinema, and social media platforms.
